July 2018

Dear Parent/Carer

### Physics Homework

Your son/daughter has received a set of notes and worksheets to support their GCSE Combined Science Physics lessons affected by the absence of their regular teacher. These sheets should be completed between now and September, then handed to a Science teacher for marking. The work has been chosen specifically to check understanding of the modules that have been completed during Mr Rutherford's absence so that we can assess a sensible starting point for Year 11.

As a small incentive, each completed set of worksheets handed in will earn money off a Science revision guide when we offer them at the start of Year 11.

Yours faithfully

**Mr A Burgess**  
**Director of Science**
