

## Train to Teach Vacancies for September 2020

Dear Parent/Carer

### Do you have any family members or friends that are looking to train to teach in 2020?

Prince Bishops Teaching School Alliance is part of a growing number of schools leading the way for more school-led teacher training. This is important to our region because it means we can choose the very best talent and develop them into teachers. Being able to choose who we train as teachers helps us in delivering the best outcomes for our students.

We would be interested to hear from you if you are thinking of becoming a teacher, or know someone who is. We are looking for people who have (or will have completed) a degree, have a passion for teaching and want to inspire young people to fulfil their potential.

Prince Bishops Teaching School Alliance are now meeting individuals who are looking to train to teach and embark on our school direct training programmes starting in **September 2020**.

Should you require any further information regarding the [www.pbtsa.co.uk](http://www.pbtsa.co.uk) school direct programme, please review our attached interactive train to teach brochure where you will see the list of our training schools across the North East.

The PBTSA team is always on hand to discuss routes into teaching with you. We would be delighted to discuss both primary and secondary teacher training together with support, guidance and answers to any questions including our school experience days and places on our volunteer programme. We can offer personalised advice and guidance along with support with your UCAS application and personal statement.

Please follow the link below to register your place:
