Dear Parent/Carer

Please see below for a list of open evenings for some of the local post-16 providers.

Your child is able to start applying for Sixth Forms/Apprenticeships/Colleges **NOW**. Some providers have deadlines: sixth forms tend to be around November/December time; colleges in the summer; and apprenticeships vary across the year. It does not matter how many providers your child applies for. A lot of pupils worry that they can only apply for one, however, this is not true – they can apply for all that appeal to them and make a final decision later in the year.

I will be sending emails with information regarding deadlines and open events etc. to all Year 11 pupils – please could you remind your child to check their emails regularly so that they don't miss out on any great opportunities.

There are also two 'Careers' noticeboards, opposite the school staff room, please also encourage your child to keep an eye on these as they are frequently updated with current information.
