Dear Parent / Carer

Curriculum Choices

Further to the email we sent to you before the half term break, we are delighted to announce the launch of the 'Curriculum Choices' section of our school website.

The [Curriculum Choices Hub](#) brings together all the resources you and your child will need to help make wise and informed decisions about the subjects they will study in upper school. You will be able to access a visual and spoken presentation outlining the process, view presentations from subject leaders (of both core and option subjects) and visit our careers, advice & guidance section, where you will find a range of research activities to try, useful sources of advice and a checklist to complete to help guide you through the process.

Please click [HERE](#) to directly access our Curriculum Choices Hub or feel free to browse the school website.

You will soon receive a **personalised curriculum choices form for your child** - this will be sent directly to you via '**ParentMail Forms**'. The deadline for completion and submission of this form is **Friday 19th March** to allow you and your child plenty of time to discuss these decisions together, complete lots of research and read through all the information provided.

We understand how important these curriculum choices are to you and your child. If you have any questions, please do not hesitate to contact us at school. I am confident that by working together we can enable your child to make the right choices.

Regards,

Mrs. T. Burgess
Deputy Headteacher
