HPE

04 February 2021

Dear Year 10 and 11,

The below information is relevant to all students who may be interested in a career in Dentistry.

If you have any questions, please send me an email.

Thanks,

Miss Pestell

DR.EAM Dentistry Virtual Conference

Birmingham Widening Access to Medical Sciences society (BWAMS) is hosting its annual **DR.EAM Dentistry Conference** this year. The DR.EAM Dentistry Conference is a **free** outreach event aimed at **Year 10-13 students** who are considering a career in Dentistry.

Our aim is to inspire and inform students about a career in Dentistry. We will provide students with an insight into life as both a dental student and dentist, as well as advising on next steps to prepare for an application. The day will consist of inspiring talks, workshops and panels made up of dentists and dental students from around the country. Workshops will include an introduction to clinical skills, Q&A with dental students from different universities and work experience advice.

Widening Access at the Medical School will be helping us in the selection of these students according to the University's widening access selection criteria, with priority given to pupils from areas with a low number of students attending University for this event.

This **free virtual conference** gives students the chance to learn more about a healthcare career and all it has to offer!

· Date: **Saturday 20th February 2021**

· Time: **9am to 5pm**

We believe that this event will be hugely beneficial for students considering studying Dentistry at University. Please apply before **Wednesday 17th February 2021 12pm** using the following link:
