Dear Year 11 pupils,

The National careers service is running a 2-day careers event virtually.

Day 1 is on Wednesday 27th January and has presentations and webinars from a range of speakers and resources to help career starters and career changers think about their next step! There will be timed sessions to hear from companies such as BT, NHS, Amazing apprenticeships, and Sir Robert McAlpine.

Day 2 is on Thursday 28th January which will be covering a range of job, apprenticeship, volunteering, and learning opportunities in your area.

I have popped the link below, and you will need to sign up via Eventbrite to take part.

Don't forget there is also the virtual careers fair Miss Pestell has organised on the school's website, so use that for information on opportunities and careers to help your decision making.
