DAYSPRING TRUST

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 AUGUST 2019

The Trustees present their annual report together with the financial statements and auditors' reports of the charitable company for the period 1 September 2018 to 31 August 2019. The annual report serves the purposes of both a Trustees' report, and a Directors' report under company law.

Dayspring Trust operates two secondary academies for pupils aged 11 to 16 serving the local communities of Sunderland South and Stockton-On-Tees area. Venerable Bede CE Academy has a pupil capacity of 911 and had a roll of 905 at the time of the school census collection in Autumn 2018. Ian Ramsey CE Academy has a pupil capacity of 1185 and had a roll of 1164 at the time of the school census collection in Autumn 2018. The annual report serves the purpose of both a Trustees' report and a Directors' report under company law.

Structure, governance and management

Constitution

Dayspring Trust is a company limited by guarantee and an exempt charity. The charitable company's memorandum and articles of association are the primary governing documents of the academy trust. The Trustees of Dayspring Trust are also the Directors of the charitable company for the purposes of company law. The charitable company operates as Dayspring Trust.

Details of the Trustees who served during the year, and to the date these accounts are approved, are included in the Reference and Administrative Details on page 1.

Members' liability

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such accounts as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

Trustees' indemnities

Subject to the provisions of the Companies Act 2006, every Trustee or other officer or auditor of the Dayspring Trust shall be indemnified out of the assets of the Academy Trust against any liability incurred by him/her in that capacity in defending any proceedings, whether civil or criminal, in which judgement is given in favour or in which he/her is acquitted or in connection with any application in which relief is granted to him/her by the court from liability for negligence, default, breach of duty or breach of trust in relation to the affairs of the Dayspring Trust.

DAYSRING TRUST

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

Method of recruitment and appointment or election of trustees

The Members of the Dayspring Trust appointed its Board of Directors under article 50 of the articles of association to include:

- 4 Members
- Executive Headteacher
- 7 Directors appointed by the Trust Board
- Directors serve a 4-year term of office, with the exception of the Executive Headteacher.

Method of Recruitment and Appointment of Academy Councils

Members of the Academy Council are appointed by the Directors and reference is made to the Governor Selection Policy to ensure fair selection and appointment.

Each Academy Council has up to 9 members comprising:

- Headteacher
- 1 elected staff members of the respective Academy
- 2 elected parents/guardians of registered pupils in the academy
- Up to 5 Academy Council members who have the appropriate skills, expertise and experience to contribute to the work of the Academy Council in achieving and sustaining the Academy's objectives.

The term of office for members of the Academy Council is 4 years. The Chairperson of the Academy Council is appointed by the Directors and the Vice-Chairperson by the Academy Council. The Chairperson of the Academy Council informs the Directors of all appointments and resignations relating to the membership of the Academy Council. Resignation, disqualification and removal of members of the Academy Council is dealt with within article 80 of the articles of association of the Trust.

The Dayspring Trust looks to recruit individuals with a mix of skills and selects Directors and Academy Council members on the basis of background, experience, specialist skills and support for the school ethos.

Policies and procedures adopted for the induction and training of trustees

Induction for new Directors or members of the Academy Council is provided by the Trust Board both in-house and via the relevant Local Authority and depends upon their existing experience. Training is also provided in a similar way. New Trustees are given a tour of the relevant Academy and introduced to staff and pupils. All Trustees are provided with copies of policies, procedures, minutes, accounts, budgets, plans and other relevant documents that they will need to undertake their role as trustees. The Trust subscribed to the National Governor's Association and to Sunderland Local Authority Governor Training and Development Programme for the period 1 September 2017 to 31 August 2018, which provided unlimited access to both face to face training sessions and on-line training.

Organisational structure

The management team operates on four levels: Members, the Board of Directors, two Academy Councils (one based at each Academy) and the Senior Leadership Team at each Academy. The aim of the management structure is to devolve responsibility and encourage involvement in decision making at all levels.

The Board of Directors have overall responsibility and ultimate decision-making authority for all the work of the Trust, including the establishment and running of the academies. This is achieved through strategic and business planning, setting of policy, monitoring of budgets, performance management, the setting of standards and targets and the implementation of quality management processes. The Directors have the power to direct change where required.

There is a scheme of delegation for governance that explains:

- The way in which the Directors fulfil their responsibilities for the leadership and management of the academies within the Trust.
- The commitment and relationship between the different governance strands to secure the success of the academies within the Trust.

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

The Executive Head Teacher is accountable overall to the MAT Board for ensuring the educational success of the academies within the overall framework of the MAT strategic plan, and liaises with each Headteacher with regard to each individual academy's development plan. She is responsible for providing strategic leadership across all aspects of the internal organisation, professional leadership, management and control of the academies. She is responsible for creating a culture of constant improvement, being an inspirational leader, and being committed to the highest achievement for all in all areas of the Trust's work. The Executive Head Teacher also has line management responsibilities for the Headteachers in each academy.

The Executive Headteacher is the Accounting Officer for the Trust and is responsible for the regularity, propriety and value for money of the Trust's spending decisions. She also sets the standards for financial management and strong governance that lead to good financial health, which is essential to delivering an educational system that maximises the potential of our young people.

Each academy is led by a Headteacher who individually reports to the Executive Headteacher. The Headteachers are accountable overall to the MAT Board and the Executive Head Teacher for ensuring the educational success of the academy for which they are responsible, within the overall framework of the Trust strategic plan, as well as each academy's development plan. They are responsible for providing strategic and professional leadership alongside good management within the academy. Their role is to create a culture of constant improvement and to be inspirational leaders, committed to the highest achievement for all in all areas of the academy's work.

The Headteachers are responsible for the authorisation of spending within agreed budgets and the appointment of staff up to senior level. Interview panels for the majority of staff include a Trustee or member of the Academy Council who is familiar with recruitment processes. All interview panels include a staff member or appointed member of the relevant Academy Council who has completed 'safer recruitment' training.

Deputy Headteachers and Assistant Headteachers operate at an executive level, implementing the policies laid down by the Directors and report back to the Headteachers and Executive Headteacher.

The Board of Directors have overall responsibility and ultimate decision-making authority for all work of the Trust, including the running of the academies operated by the Trust.

In order to assist with the discharge of their responsibilities, the Board of Directors have established a Local Academy Council for each of its academies.

Members of each Academy Council are appointed by the Directors and reference is made to the Governor Selection Policy to ensure fair selection and appointment.

The purpose of each academy council is to make appropriate comments and recommendations on such matters to the Trust Board on a regular basis on four key areas

- Finance: To ensure sound financial management of the Trust's finances and resources, including proper planning, monitoring and probity in line with the EFA guidelines and the Funding Agreement.
- Staffing: To review, plan and manage staffing with due regard to financial aspects and in line with the Pay Policy.
- Premises: To ensure sound management of the Trust's premises including maintenance, development and health and safety.
- Pay: To determine all matters/take all decisions relating to pay and related performance of staff to establish and approve a Trust Pay Policy and to monitor the Policy as necessary.

Arrangements for setting pay and remuneration of key management personnel

A robust system of staff appraisal is embedded within each academy and all staff, including senior leaders, meet with their Line Manager to agree and set objectives for the year ahead. This is undertaken and the appraisal process is fully completed by 31 October each academic year with the exception of the Executive Headteacher and Headteachers, whose appraisal process has a completion date of December each year. During the course of the year, each member of staff has the option to participate in an interim appraisal meeting followed by a final appraisal meeting. Teaching staff performance is measured and recorded each year to inform annual pay progression.

The Pay Committee meets each year to consider the pay and remuneration of all teaching staff including the Senior Leadership Team, assisted by the Executive Headteacher. All decisions made by this committee are submitted to the Trust Board for ratification. An external review of the Executive Headteacher performance is undertaken and is ratified by the Trust Board.

Trustees have declared no business interests to date and, where any Trustee should declare an interest, procedures are in place to address this. The Trust has adopted a policy in that where any interests are declared, the Trustee would not be involved in any decision-making process.

One of the academies within the Trust – Venerable Bede CE Academy - continues to be a strategic partner of a Teaching School Alliance, 'The Prince Bishops Teaching School Alliance'. This is a partnership of five schools: The Venerable Bede CE Academy, three Church of England Primary Schools and a CE Secondary Academy.

Related parties at the academy are the joint Dioceses of Durham and Newcastle and the Deaneries of Stockton and Wearmouth.

Objectives and activities

Objects and aims

The Dayspring Trust's objective is specifically restricted to the following:- to advance for the public benefit education in the United Kingdom, in particular but without prejudice to the generality of the foregoing by establishing, maintaining, carrying on, managing and developing a school with a designated Church of England religious character offering a broad and balanced curriculum conducted in accordance with the principles, practices and tenets of the Church of England both generally and in particular in relation to arranging for religious education and daily acts of worship and in having regard to the advice of the Diocesan Board of Education.

Objects and Aims

The Dayspring Trust aims to serve its community by providing an education of the highest quality within the context of Christian faith and practice. It encourages an understanding of the meaning and significance of faith, and promotes Christian values through the experience it offers to all its pupils. We believe that our Christian values spring from the two great commandments, 'Love God and love your neighbour'. We seek to live this out through the power of the Holy Spirit. St Paul reminds us in Galatians 5.22-23 that the fruit of the Spirit is "Love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control". These are also underpinned by the Old Testament injunction to "Do justly, love mercy and walk humbly with our God" Micah 6.8. These values rooted in the Christian Faith come as a package and we aim to embed them in the life of our academies in a worked out way. We recognise that at times we may highlight particular values to bring them into greater prominence within our academies and these are currently the five values of Forgiveness, Hope, Joy, Perseverance and Wisdom. We believe these values to be in accordance with British values springing from our Judeo-Christian roots. Collective worship will play a major and vital part in assisting with this process of embedding these values in the life our academies.

The Multi Academy Trust Members and Directors are aware of their responsibilities in law and are committed to the provision of an excellent education within its academies in accordance with our Anglican foundation. This is embraced in our Dayspring Trust vision statement:

- Forge a supportive and challenging family of academies
- Provide excellent education within a strong Christian community
- Resource our pupils for wise and generous living

In addition, each academy also has its own distinctive mission statement, flowing out from the vision statement of the Dayspring Trust.

At Ian Ramsey CE Academy:

"Together to learn, to grow, to serve."

This is embodied in scripture:

'Each of you should use whatever gifts you have received to serve others, as faithful stewards of God's grace in various forms.' 1. Peter 4.10

At Venerable Bede CE Academy:

"Soar to the heights together"

This is embodied in scripture:

'But those who hope in the lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint'. Isaiah 40:31

Our mission together is to bring a first class education and a breadth of opportunity to all of our pupils in light of the Christian Gospel. We also hope that these opportunities benefit the wider community, whether locally, nationally or internationally, such as in the links from both academies to Lesotho.

We live by our values every day, and follow a calendar based on the Christian Gospel.

At the heart of everything is inclusivity. We are committed to being inclusive and serve equally those who are of the Christian faith, those of other faiths and those with no faith. We seek to give opportunities that educate, encourage participation and increase the aspirations of our young people, but also seek the same opportunities for all of our staff, regardless of their role within the trust. Everyone is valued for the role they play and we see opportunities for professional development as pivotal to this vision. Working with young people is a vocation and we are here to serve our community. Being true to our Christian values and keeping the well-being of our students at the heart of all decision-making are the keys to success.

We do pride ourselves on being inclusive, neighbourhood schools and hope to inspire in our pupils a love of learning that will stay with them long after they reach the school leaving age. We believe in encouraging each pupil to have high self-esteem and to realise that, by believing in themselves and through hard work, they can reach their true potential as children of God. We also believe firmly in Pupil Voice; by listening to our young people, we can improve their education and the opportunities that we can offer.

We take a strong stance against bullying and passionately believe that every child has the right to feel safe and nurtured whilst in our care. It is important that we model tolerance at every opportunity so that our young people leave us at 16 with the skills and moral purpose to make a difference to their communities.

In addition to this, our fundamental British values underpin all of our daily actions:

- Democracy
- The Rule of Law
- Individual Liberty
- Mutual respect and tolerance of those with different faiths and beliefs and for those without faith

We also share five common Christian Values across the Trust:

- Joy
- Hope
- Forgiveness
- Wisdom
- Perseverance

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

Key performance indicators

Key Performance Indicators: Financial

Pupil numbers have been consistent within Ian Ramsey CE Academy and are increasing year on year at Venerable Bede CE Academy. The Trust continues to maximise its income for the benefit of all pupils, whilst constantly striving for value for money and cost effectiveness and efficiency.

Financial benchmarking against similar schools indicates that current expenditure on teaching staff is above average for the comparison group however spend has been targeted at improving attainment for pupils.

In-year balances reflect the falling roles within one of our academies and this should improve year on year. Pupil – teacher ratio is average when compared to comparator schools and the trust constantly reviews its staffing structure when the opportunity presents itself.

Total expenditure at Venerable Bede is lower than similar local schools, as is staffing, premises and supplies and services costs. Occupation costs have been identified as being higher than in other similar schools, however this may be due to in-house catering whilst other schools may buy in their catering service.

Compared to statistical neighbours, Ian Ramsey total spend is about average and in some instances, less than its nearest neighbour as is the spend on total staffing, occupation costs and supplies and services. Premises costs appear to be higher than some in the range selected and this may be due to higher levels of maintenance to ensure the building retains its 'new build' status.

The Trust's mission is to improve efficiency in both its academies by looking to achieve higher levels of progress with the same funding.

Venerable Bede CE Academy funding is currently lagged per pupil number and this should have a positive effect on future key performance indicators.

Key Performance Indicators - 2018/19		
	Venerable Bede	Ian Ramsey
Salary costs to ESFA Revenue Income	90%	79%
Salary Costs to Total Income	84%	77%
Salary Costs as % Total Expense	83%	83%
FTE Teaching Staff	50	62
FTE Support Staff	43	43
Average Teacher Cost	£56,022	£54,248

Going concern

After making appropriate enquiries, the Directors have a reasonable expectation that the Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason, it has adopted the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

DAYSPRING TRUST

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

Financial review

Most of the Trust's income is obtained from the ESFA in the form of recurrent grants, the use of which is restricted to particular purposes. The grants received from the ESFA during the year ended 31 August 2019 and the associated expenditure are shown as restricted funds in the statement of financial activities.

The Trust also receives grants for fixed assets. In accordance with the Charities Statement of Recommended Practice, Accounting and Reporting by Charities' (SORP 2005), such grants are shown in the Statement of Financial Activities as restricted income in the fixed asset fund. The restricted fixed asset fund balance is reduced by annual depreciation charges over the expected useful life of the assets concerned.

During the year ended 31 August 2019, total expenditure of £11,396,523 (excluding depreciation and LGPS adjustments) was more than covered by recurrent grant funding from the ESFA together with other incoming resources of £11,617,458. The excess of income over expenditure for the period (excluding restricted asset funds) was £89,904.

As at 31 August 2019 the net book value of fixed assets was £242,651. The assets were used exclusively for providing education and the associate support services to the pupils of the Academies within the Trust.

Reserves policy

The Board of Directors review the reserve levels of the Trust annually. This review encompasses the nature of income and expenditure streams, the need to match income with commitments and the nature of reserves. The Board of Directors have determined that their aim is for the level of free reserves to be equivalent to one month's expenditure. The reason for this is to provide sufficient working capital to cover delays between spending and receipt of grants and to provide a cushion to deal with unexpected emergencies such as urgent maintenance. The actual amount of unrestricted reserves was £609,381 however The Board of Directors are confident that this figure will rise year on year given the increasing pupil numbers throughout the Trust. The Board of Directors will continue to monitor reserves on a regular basis.

Investment policy

All investments, outside of the deposit account, will be made on a risk-averse basis, taking ethical considerations into account and the approval of the Board of Directors. If the Trust is able to generate better returns than provided in the deposit account, it may undertake other investments. Funds, which the Trust does not require immediately to cover anticipated expenditure, will be invested in such a way as to maximise the Trust's income but without risk. The Trust's aim is to spend the publicly funded monies with which we are entrusted for the direct benefit of the pupils as soon as it is prudent. The Trust does not consider the investment of surplus funds as a primary activity, rather it is the result of best practice as and when circumstances allow.

DAYSRING TRUST

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

Principal risks and uncertainties

The Dayspring Trust is subject to a number of risks and uncertainties in common with other Multi Academy Trusts. The Trust has in place procedures to identify and mitigate financial risks. The Board of Directors have assessed the major risks to which each of its academies is exposed especially in operational areas (e.g. in relation to health and safety) and in relation to the control of finance and have put into place financial policies and procedures in order to minimise these risks.

The principal risks and uncertainties to which the Trust is exposed includes:

- Changes in the level of Government funding. The Trust is working to identify the potential implications of the government's proposals to change the funding methodology, particularly where numbers on roll are stable but fixed costs increase;
- Future financial impact of national pay awards;
- Maintaining current pupil numbers to ensure maximisation of funding levels. The Trust is acutely aware of the impact of falling rolls, having successfully managed this within one of its academies over the last few years. In the light of this, the Trust are actively engaged in fostering positive public relations with its stakeholders;
- MAT growth and development. The Trust is actively seeking to expand its Board of Directors and plans to engage with schools interested in potentially joining Dayspring Trust;
- Local Government Pension Scheme - resulting in a deficit on the Academy balance sheet;
- On-going curriculum changes;
- Wear and tear on ageing buildings and assets;
- The retention and recruitment of teaching staff in the light of the current political climate.

Risk Management

The Trustees are responsible for the identification and management of risks for the Academy Trust as a whole. A formal review of risks and risk management plans covering premises and staff was undertaken in June 2019 and are contained within the Trust's Risk Register.

The key controls operated by the Academy include:

- formal agendas and minutes for all Board of Directors' and Academy Council meetings;
- terms of reference for all committees;
- comprehensive strategic planning, financial forecasting, budget reporting and management accounting;
- clear line management and reporting structures;
- internal assurance programme delivered by external auditor;
- review of risk register;
- robust recruitment and selection procedures;
- robust appraisal systems;
- pro-active approach to public perception.

Fundraising

The Trust has obtained funding in the past from such organisations as Awards From All to fund a free breakfast club for example. Monitoring and reporting of such finances has conformed to the terms and conditions of the funding and has been monitored by the Executive Business Manager and Accounting Officer.

Historically the Trust has not made a decision to raise funds from parents or the wider public.

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

Plans for future periods

Strategic priorities for the year ahead include to:

- Expand the number of Members of the Trust to five;
- Undertake a further review of the Scheme of Delegation in the light of changes to governance at local academy level;
- Build capacity within the Trust Board by attracting colleagues with skills and knowledge to enhance the current skill mix;
- Plan for effective succession planning within the Trust Board;
- Explore options for Trust expansion and development and actively seek interested parties from other academies and schools, including non-faith schools wishing to join a multi academy trust;
- Further develop the Trust 'offer' document to attract prospective academies to join the Trust;
- Continue to harmonise policies and procedures across the two academies within the Trust;
- Embed the work of the newly created Trust well-being group;
- Explore the possibility of a centralised finance function;
- Continue to explore economies of scale in line with greater purchasing power as a Multi Academy Trust;
- Further develop a Trust IT strategy to support our focus on teaching and learning across the Trust;
- Create and develop a talent pool across the Trust to minimise the effect of staff turbulence.
- To work in collaboration with Stockton Local Authority on a possible expansion to Ian Ramsey CE Academy;
- To explore the addition of Trust-wide specialist staff e.g. Educational Psychologist

Funds held as custodian trustee on behalf of others

There are no funds or assets currently held by the Dayspring Trust.

Auditor

In so far as the trustees are aware:

- There is no relevant audit information of which the charitable company's auditor is unaware; and
- The trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

Baldwins Audit Services Limited, having expressed their willingness to continue in office, have been re-appointed for the next financial year.

The trustees' report, incorporating a strategic report, was approved by order of the board of trustees, as the company directors, on 11 December 2019 and signed on its behalf by:

DAYSPRING TRUST

GOVERNANCE STATEMENT

FOR THE YEAR ENDED 31 AUGUST 2019

Scope of responsibility

As Trustees, we acknowledge we have overall responsibility for ensuring that Dayspring Trust has an effective and appropriate system of strategic governance, oversight and control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The Board of Trustees has delegated the day to day responsibility to the Executive Headteacher as accounting officer, alongside the Executive Business Manager, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Dayspring Multi Academy Trust and the Secretary of State for Education. The Finance and General Purposes Committee also have delegated powers from the Board for close scrutiny of financial systems and internal audit. These bodies have responsibility for reporting to the Board of Trustees any material weaknesses or breakdowns in internal control.

Governance

The information on governance included here supplements that described in the Trustees' Report and in the Statement of Trustees' Responsibilities. The Board of Trustees has formally met 6 times during the year. Attendance during that period of time, at meetings of the Board of Trustees, was as follows:-

Trustees	Meetings attended	Out of possible
The Venerable S Bain (Chair)	5	6
Mr C N Williams (Vice Chair)	6	6
Mr P Russell	4	6
Mrs G A Booth (Executive Headteacher)	6	6
Mr R P Thorndyke	6	6
Mr D M Robinson	4	6
Mrs C Rayner	6	6
Mrs E Miller	4	6

Key Changes

The Trust has been in existence since its incorporation on 28 October 2014 and, at the current time, has two academies within the Trust: Ian Ramsey CE Academy, located in Stockton-on-Tees and Venerable Bede CE Academy, located in Sunderland.

During the last year the Diocesan Director for Education, Durham joined the Trust as a Member increasing the number of Members from three to four. Plans are still in place to further increase this number to five, as outlined within the Trust's Articles of Association.

There have been no changes in the last year to the composition of the Trust Board. The majority of the Directors have been in role since the Trust was formed and share a plethora of skill and expertise within the field of education and school improvement, business, legal, child welfare and the private sector.

The Directors are aware of their responsibilities: to provide high quality educational outcomes for our pupils as well as the following priorities:

- To act in such a way as to promote the success of the Trust in terms of charitable objectives
- To take note of the likely consequences of any decisions in the longer term
- To take note of the likely consequences of any decisions on employees
- The need to foster relationships with suppliers and customers
- To consider the impact of Trust operations on the community and environment

DAYSPRING TRUST

GOVERNANCE STATEMENT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

The Directors are also aware of their duties under section 117 of the Charities Act 2011.

The Directors of the Trust have overall responsibility and ultimate decision making authority for all the work of the Trust which involves the scrutiny and challenge of all aspects of school life: quality of education, performance management, finance, human resources, premises management and public relations. The Trust Board receives information and data in a variety of differing formats including Executive Headteacher reports, Headteacher reports, financial and statistical performance data.

The Trust delegates key responsibilities, according to its scheme of delegation, to "Academy Councils" which sit at each academy. Each Academy Council has been established by the Trust Board to assist with good governance of the Academies. It is at this local level which has seen the most change during this academic year. A new scheme of delegation was put into place in April 2019 to assist Directors with the discharge of their responsibilities. The role of each Academy Councils is to support and challenge each academy in its work in several areas, including pupil attendance, behaviour and discipline, health and safety, safeguarding and ethos.

Annual Governance Review

The Board of Trustees held its annual development session in June 2019, attended by Directors and key senior leadership staff. This dedicated time was spent on highlighting key successes, a review of governance over the past year and the completion of a Trust development plan.

Several key strengths were identified: the significant skills and experience of the Board of Trustees; strong relationships with key partner agencies including the CEO network; a growing positive reputation; parental engagement; embedded school improvement.

Several opportunities were also explored which included financial procurement leading to Trust-wide savings, and the journey leading to the achievement of an outstanding Ofsted inspection at both academies.

A briefing on the new Ofsted inspection framework for 2019 was also delivered to allow Directors to identify how the changes would impact upon their academies and therefore what the key priorities for the coming year should be.

The Trust is at a crucial point in its development and is now actively seeking to grow. This plan for growth has been given approval in principle by the Regional Schools Commissioner whose team visited Head Office in October 2018. The next steps will be to explore options further and then to put forward a formal proposal to the RSC, having conducted all aspects of due diligence.

Academy Councils

The existing format of each academy council was reviewed and subsequently streamlined in the spring term of 2019. Whilst this work was being undertaken the Trust Board covered all aspects of the role of each academy council until membership at local academy level was established. Formal meetings resumed in the summer term.

Each academy within the Trust now has an Academy Council of up to nine members comprising:

Up to five members appointed by the Board of Directors

- 1 Headteacher/Head of School
- 1 Staff members (elected)
- 2 Parent members (elected)

The skills and experience brought to each Local Academy Council include teaching experience, legal expertise, high level managerial experience, previous experience of local government and recruitment skills.

The scheme of delegation is a live document and has been reviewed and amended on an on-going basis.

Key Challenges for the Trust

Some of the key challenges for the Multi Academy Trust since incorporation has been:

- Establishing Trust wide terms and conditions for staff across two Local Authority areas
- To attract key personnel
- To build capacity at Senior Leadership Team level at both academies
- Funding restraints due to historical falling rolls in one academy whilst being over-subscribed in the other academy
- To develop and build strong governance and to discern and establish an appropriate role for Local Academy Councils
- To drive up academic standards to improve outcomes for all pupils

The Finance and General Purposes Committee is a sub-committee of the Board of Trustees. Its purpose is to consider and recommend to the Trust Board the draft annual budget, and to regularly monitor the progress of the budget using financial information supplied by the Executive Headteacher and finance staff. The Finance and General Purposes Committee also meet to discuss and agree spending decisions and to review findings from the termly internal assurance programme.

Attendance at meetings during the period (1 September 2018 – 31 August 2019) was:

The Accounting Officer (who is also the Executive Headteacher), Business Manager and Headteachers also attend these meetings as invitees.

DAYSRING TRUST

GOVERNANCE STATEMENT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

Key Challenges for the Finance Committee

The key challenge for the Finance and General Purposes Committee during the period has been to manage staffing levels according to curriculum need.

- to provide effective challenge on proposed spending
- to ensure all academies within the Trust receive a fair allocation of funds to meet the needs of their learners
- to support each academy where unexpected resources have been required
- to effectively manage funding whilst applying the teachers national pay award
- to ensure future resources meet the needs of each academy

The Finance and General Purposes Committee currently has a dual purpose and acts as the Audit Committee; this is reviewed each academic year on an ongoing basis.

Review of value for money

As accounting officer, the Executive Headteacher, alongside the Executive Business Manager, has responsibility for ensuring that the multi academy trust delivers good value in the use of public resources. The accounting officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The accounting officer considers how the Trust's use of its resources has provided good value for money during each academic year, and reports to the Board of Trustees where value for money can be improved, including the use of benchmarking data where available. The accounting officer has delivered improved value for money during the year by the following actions:

- Re-negotiation of existing financial contracts to ensure continued value for money
- Amalgamation of trust services to deliver economies of scale – this includes a trust wide IT strategy
- Review of trust led services i.e. personnel, professional clerking to ensure the best service for resources available
- Use of consortia arrangements when procuring goods and services
- Out-sourcing professional services to attract additional funding i.e. provision of specialist language teaching to primary colleagues
- Regular scrutiny of spends at each academy

The purpose of the system of internal control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on three on-going priorities:

- to identify and prioritise the risks to the achievement of academy trust policies, aims and objectives;
- to evaluate the likelihood of those risks being realised and the impact should they be realised;
- to manage them efficiently, effectively and economically.

The system of internal control has been in place across the Dayspring Multi Academy Trust for the period 1 September 2018 – 31 August 2019 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the Board of Trustees who receive termly internal assurance reports from the trust's auditors.

The Academy Trust Financial Handbook is reviewed regularly by both the Executive Business Manager and members of the Finance and General Purposes Committee to ensure that it reflects current practice and procedure.

DAYSPRING TRUST

GOVERNANCE STATEMENT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

Capacity to handle risk

The Board of Trustees has reviewed the key risks to which the multi academy trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Board of Trustees is of the view that there is a formal on-going process for identifying, evaluating and managing the multi academy trust's significant risks that has been in place for the period 1 September 2018 – 31 August 2019 and up to the date of approval of the annual report and financial statements. This is via each academy's internal financial controls and procedures that are in place, together with the academy's risk register and risk management plan. These procedures are regularly reviewed by the Board of Trustees.

The risk and control framework

The Multi Academy Trust's system of internal financial control is based on a framework of regular management information and financial and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- Comprehensive 5 year budget planning with an annual budget reviewed by the Finance & General Purposes Committee and ratified by the Board of Trustees.
- Regular financial reports reviewed and agreed by the Finance & General Purposes Committee and Board of Trustees.
- Regular (monthly) financial reports with narrative on the current position of the budget with projections to the Board of Trustees.
- Regular reviews by the Finance and General Purposes Committee and Board of Directors of major purchase plans, capital works and expenditure programmes.
- Review of set targets to measure financial and other performance.
- Continuous review of scheme of delegation.
- Clear financial delegation levels and procurement policies and procedures.
- Segregation of duties and financial accountability.
- Identification and management of risks.
- Clear line management responsibility and accountability.

The Board of Trustees has considered the need for a specific internal audit function and has decided not to appoint an internal auditor. However, the Directors have appointed Baldwins Audit Services as their external auditor to carry out a programme of checks on each academy's financial systems and processes.

The external auditor's role includes giving advice on financial matters and performing a range of checks on the Multi Academy Trust's financial systems. On a termly basis, the external auditor reports to the Finance & General Purposes Committee and Board of Trustees on the operation of the systems of control and on the discharge of the Board of Trustee's financial responsibilities. This is through the internal assurance programme.

DAYSPRING TRUST

GOVERNANCE STATEMENT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

Three internal assurance visits have been undertaken during the period 1 September 2018 – 31 August 2019 and there were no 'high risk' matters identified in any review.

In particular, the checks carried out in the current period included:

- Ensure capitalisation of assets is undertaken
- Ensure approval for the purchase of goods and approval for payment of invoice is obtained
- Review of all monthly payroll control accounts
- Checks at each payment run to ensure legitimacy of supplier and payment
- Checks on reconciliation of bank accounts
- Review monthly creditor and debtor aged listings
- Checks on changes to staffing details
- Review of bank reconciliations
- Review of credit card spend
- Test check sample of grant and non-grant income to ensure properly accounted for
- Review management of data systems
- Confirm the Trusts governance arrangements are published on website
- Ensure register of business/pecuniary interests is up to date
- Make checks to ensure the Trust complies with ESFA Academies Financial Handbook
- Review of management reports to Trust Board
- Review minutes of all governance meetings
- Confirm that all internal assurance reports have been discussed at the most recent governance meeting

Review of effectiveness

As accounting officer, the Executive Headteacher has responsibility for reviewing the effectiveness of the system of internal control. During the year 1 September 2018 - 31 August 2019, the review has been informed by:

- The work of the external auditor
- The financial management and governance self-assessment process carried out by the Board of Trustees
- The work of the academy staff who have responsibility for the development and maintenance of the internal financial controls.
- The financial controls, policies and procedures in place at the academy
- Self review undertaken by Accounting Officer via regular meetings with Executive Business Manager

The accounting officer has been advised of the implications of the result of their review of the system of internal control by the Board of Trustees and the Finance and General Purposes Committee: where relevant, a plan is in place to address any weaknesses, together with a plan to ensure continuous improvement.

DAYSPRING TRUST

STATEMENT OF REGULARITY, PROPRIETY AND COMPLIANCE FOR THE YEAR ENDED 31 AUGUST 2019

As accounting officer of Dayspring Trust I have considered my responsibility to notify the academy trust board of trustees and the Education & Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of all funding received by the academy trust, under the funding agreement in place between the academy trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2018.

I confirm that I and the academy trust's board of trustees are able to identify any material irregular or improper use of funds by the academy trust, or material non-compliance with the terms and conditions of funding under the academy trust's funding agreement and the Academies Financial Handbook 2018.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the board of trustees and ESFA.

DAYSRING TRUST

STATEMENT OF TRUSTEES' RESPONSIBILITIES

FOR THE YEAR ENDED 31 AUGUST 2019

The trustees (who are also the directors of Dayspring Trust for the purposes of company law) are responsible for preparing the trustees' report and the accounts in accordance with the Academies Accounts Direction 2018 to 2019 published by the Education & Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the trustees to prepare accounts for each financial year. Under company law the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period.

In preparing these accounts, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring that grants received from ESFA/DfE have been applied for the purposes intended.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of accounts may differ from legislation in other jurisdictions.

DAYSPRING TRUST

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF DAYSPRING TRUST FOR THE YEAR ENDED 31 AUGUST 2019

Opinion

We have audited the accounts of Dayspring Trust for the year ended 31 August 2019 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and the notes to the accounts, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice), the Charities SORP 2015 and the Academies Accounts Direction 2018 to 2019 issued by the Education & Skills Funding Agency.

In our opinion the accounts:

- give a true and fair view of the state of the charitable company's affairs as at 31 August 2019 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006; and
- have been prepared in accordance with the Charities SORP 2015 and the Academies Accounts Direction 2018 to 2019.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the accounts' section of our report. We are independent of the academy trust in accordance with the ethical requirements that are relevant to our audit of the accounts in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the accounts is not appropriate; or
- the trustees have not disclosed in the accounts any identified material uncertainties that may cast significant doubt about the academy trust's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the accounts are authorised for issue.

Other information

The trustees are responsible for the other information, which comprises the information included in the annual report other than the accounts and our auditor's report thereon. Our opinion on the accounts does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the accounts, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the accounts or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the accounts or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

DAYSPRING TRUST

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF DAYSPRING TRUST (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report including the incorporated strategic report for the financial year for which the accounts are prepared is consistent with the accounts; and
- the trustees' report including the incorporated strategic report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the academy trust and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report, including the incorporated strategic report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the accounts are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the statement of trustees' responsibilities, the trustees are responsible for the preparation of the accounts and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of accounts that are free from material misstatement, whether due to fraud or error.

In preparing the accounts, the trustees are responsible for assessing the academy trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the accounts

Our objectives are to obtain reasonable assurance about whether the accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these accounts.

A further description of our responsibilities for the audit of the accounts is located on the Financial Reporting Council's website at: <http://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF DAYSPRING TRUST (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

DAYSPRING TRUST

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO DAYSPRING TRUST AND THE EDUCATION & SKILLS FUNDING AGENCY

FOR THE YEAR ENDED 31 AUGUST 2019

In accordance with the terms of our engagement letter dated 24 September 2019 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2018 to 2019, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Dayspring Trust during the period 1 September 2018 to 31 August 2019 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Dayspring Trust and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to the Dayspring Trust and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Dayspring Trust and ESFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of Dayspring Trust's accounting officer and the reporting accountant

The accounting officer is responsible, under the requirements of Dayspring Trust's funding agreement with the Secretary of State for Education dated 21 December 2012 and the Academies Financial Handbook, extant from 1 September 2018, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance, and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2018 to 2019. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the period 1 September 2018 to 31 August 2019 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Academies Accounts Direction 2018 to 2019 issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the academy trust's income and expenditure.

DAYSPRING TRUST

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO DAYSPRING TRUST AND THE EDUCATION & SKILLS FUNDING AGENCY (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

The work undertaken to draw to our conclusion includes:

- completion of self assessment questionnaire by Accounting Officer
- discussions with the Accounting Officer and finance team
- review of Internal Assurance reports
- review of trustee and committee meeting minutes
- review of finance and other relevant policies
- review of purchases, expenses and expense claims on a sample basis including the application of controls and tendering processes where applicable
- review of gifts and hospitality transactions including the application of controls
- review of credit and debit card transactions including the application of controls
- review of payroll transactions on a sample bases including the application of controls
- review of potential special payments to staff
- review of leases and consideration of areas where borrowing may have been incurred
- consideration of transactions with related and connected parties
- review of register of business interests for completeness and compliance with regulations
- enquiries into transactions that may require disclosure under ESFA delegated authority rules
- consideration of value for money and appropriateness of transactions

Conclusion

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the period 1 September 2018 to 31 August 2019 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

DAYSPRING TRUST

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2019

1 Accounting policies

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation

The accounts of the academy trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2018 to 2019 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

Dayspring Trust meets the definition of a public benefit entity under FRS 102.

1.2 Going concern

The trustees assess whether the use of going concern is appropriate, ie whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the charitable company to continue as a going concern. The trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the accounts and have concluded that the academy trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the academy trust's ability to continue as a going concern. Thus they continue to adopt the going concern basis of accounting in preparing the accounts.

The reported share of the LGPS deficit has a significant impact on our restricted funds, however we draw your attention to the cash reserves held by the academy as well as the balances held in unrestricted and restricted general reserves.

1.3 Income

All incoming resources are recognised when the academy trust has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

Grants

Grants are included in the statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the statement of financial activities in the period for which it is receivable, and any abatement in respect of the period is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the balance sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

Sponsorship income

Sponsorship income provided to the academy trust which amounts to a donation is recognised in the statement of financial activities in the period in which it is receivable (where there are no performance-related conditions), where the receipt is probable and it can be measured reliably.

DAYSPRING TRUST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2019

1 Accounting policies

(Continued)

Donations

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

Other income

Other income, including the hire of facilities, is recognised in the period it is receivable and to the extent the academy trust has provided the goods or services.

Donated goods, facilities and services

Goods donated for resale are included at fair value, being the expected proceeds from sale less the expected costs of sale. If it is practical to assess the fair value at receipt, it is recognised in stock and 'Income from other trading activities'. Upon sale, the value of the stock is charged against 'Income from other trading activities' and the proceeds are recognised as 'Income from other trading activities'. Where it is impractical to fair value the items due to the volume of low value items they are not recognised in the accounts until they are sold. This income is recognised within 'Income from other trading activities'.

Donated fixed assets

Donated fixed assets are measured at fair value unless it is impractical to measure this reliably, in which case the cost of the item to the donor is used. The gain is recognised as income from donations and a corresponding amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with the academy trust's accounting policies.

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

All resources expended are inclusive of irrecoverable VAT.

Expenditure on raising funds

This includes all expenditure incurred by the academy trust to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Charitable activities

These are costs incurred on the academy trust's educational operations, including support costs and costs relating to the governance of the academy trust apportioned to charitable activities.

1.5 Intangible fixed assets and amortisation

Intangible assets are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably. Intangible assets are initially recognised at cost and are subsequently measured at cost net of amortisation and any provision for impairment. Amortisation is provided on intangible fixed assets at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life, as follows:

- Purchased computer software/licences over the period of the agreement

(Continued)

1.6 Tangible fixed assets and depreciation

Assets costing £1,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the balance sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding that require the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the statement of financial activities and carried forward in the balance sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the statement of financial activities. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

Depreciation is provided on all tangible fixed assets other than freehold land, at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life, as follows:

Land and buildings	over 50 years
Computer equipment	over 3 years
Fixtures, fittings and equipment	over 4 years

The academy trust company occupies land (including buildings) which are owned by its Trustees who are the Diocese of Durham. The Trustees are the providers of the academies on the same basis as when the academies were maintained schools. The academy trust company occupies the land (and buildings) under a mere licence. This continuing permission of their Trustees is pursuant to, and subject to, the Trustees' charitable objects, and is part of the Church of England's contribution to provide State funded education in partnership with the State. The licence delegates aspects of the management of the land (and buildings) to the academy trust company for the time being, but does not vest any rights over the land in the academy trust company. The Trustees have given an undertaking to the Secretary of State that they will not give the academy trust company less than two years notice to terminate the occupation of the land (including buildings). Having considered the factual matrix under which the academy trust company is occupying the land (and buildings) the directors have concluded that the value of the land and buildings occupied by the academy trust company will not be recognised on the balance sheet of the company.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the statement of financial activities.

Fixtures, fittings, equipment and ICT equipment transferred to the academy on conversion have been valued on the basis of the estimated net book value. Land and buildings have not been transferred to the academy.

Because the use of the land is made available to the academy trust under a Supplemental Agreement, the academy has been donated the right to use the buildings and under accounting standards a donation and expense representing the use of the facilities should be reflected in the financial statements. The trustees are of the opinion that obtaining a reliable estimate of this value would be onerous and the expense of obtaining such a valuation would outweigh any benefits derived. Therefore no such adjustment has been reflected in these financial statements.

1.7 Liabilities

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the academy trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

1.8 Leased assets

Rentals payable under operating leases are charged against income on a straight line basis over the period of the lease.

1.9 Financial instruments

The academy trust only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the academy trust and their measurement basis are as follows.

Financial assets

Trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost. Prepayments are not financial instruments.

Cash at bank is classified as a basic financial instrument and is measured at face value.

Financial liabilities

Trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost. Taxation and social security are not included in the financial instruments disclosure definition.

Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

1.10 Taxation

The academy trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the academy trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

1.11 Pensions benefits

Retirement benefits to employees of the academy trust are provided by the Teachers' Pension Scheme ('TPS') and the Local Government Pension Scheme ('LGPS'). These are defined benefit schemes and the assets are held separately from those of the academy trust.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the academy trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. The TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions are recognised in the period to which they relate.

DAYSPRING TRUST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

1 Accounting policies

(Continued)

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the academy trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the statement of financial activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses. Actuarial gains and losses are recognised immediately in other recognised gains and losses.

1.12 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the academy trust at the discretion of the trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the Education and Skills and Funding Agency, Department for Education and other funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received and include grants from the Education and Skills Funding Agency, Department for Education and Local Authority.

2 Critical accounting estimates and areas of judgement

Accounting estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions

The academy trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

DAYSPRING TRUST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

2 Critical accounting estimates and areas of judgement

(Continued)

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 20, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2013 has been used by the actuary in valuing the pensions liability at 31 August 2019. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

McCloud

In 2015 the government introduced reforms to public sector pensions resulting in most public sector workers being transferred to a new scheme. In December 2018, the Court of Appeal ruled that the 'transitional protections' offered to some members of the judges and firefighter schemes as part of the reforms amounted to unlawful discrimination. While the judgement was not in relation to the LGPS it is reasonable to expect that it will need to be applied to this scheme by the government. Actuaries have estimated that the additional liabilities associated with this to be around 3-4% of active liabilities. As this has been considered to be potentially material to the financial statements the year end valuation performed by the actuary has included an approximate calculation of the McCloud valuation. This has increased the LGPS liability by £175,000 as at 31 August 2019.

GMP

This case related to the equalisation for men and women of guaranteed minimum pension (GMP) for those who were contracted out of the State Second Pension between 6 April 1978 and 6 April 1997. In October 2018 the High Court ruled that equalisation of GMP was required. This case was in relation to Lloyds Bank and HM Treasury have since gone on record to state public sector schemes have a method to equalise GMP already. Although there is some judgement in how this equalisation works and is reflected in the LGPS valuations, actuaries have estimated that the impact of GMP indexation to be around 0.3% of total liabilities and they have included an approximate calculation of the GMP valuation. This has increased the LGPS liability by £9,000 as at 31 August 2019.

Key management personnel

The key management personnel of the academy trust comprise the trustees and the senior management team as listed on page 1. The total amount of employee benefits (including employer national insurance and pension contributions) received by key management personnel for their services to the academy trust was £1,310,517 (2018: £1,400,932).

11 Trustees' remuneration and expenses

One or more of the trustees has been paid remuneration or has received other benefits from an employment with the academy trust. The principal and other staff trustees only receive remuneration in respect of services they provide undertaking the roles of principal and staff members under their contracts of employment, and not in respect of their services as trustees.

The value of trustees' remuneration and other benefits was as follows:

G Booth (headteacher):

Remuneration	£120,001 - £125,000 (2018: £125,001 - £130,000)
Employer's pension contributions	£15,001 - £20,000 (2018: £20,001 - £25,000)

Other related party transactions involving the trustees are set out within the related parties note.

12 Trustees and officers insurance

In accordance with normal commercial practice, the academy trust has purchased insurance to protect trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy trust business. The insurance provides cover up to £5,000,000 on any one claim and the cost for the year ended 31 August 2019 was £3,920 (2018: £3,850).

The specific purposes for which the funds are to be applied are as follows:

General Annual Grant must be used for the normal running costs of the academy. Under the funding agreement with the Secretary of State, the Academy Trust was not subject to a limit on the amount of GAG that it could carry forward at 31 August 2019.

Other DfE/ESFA grants include pupil premium, teacher pay grant, free school meals income and year 7 catch up funding received.

Other government grants includes funding for pupils with special educational needs and pupil premium funding received from the local authority.

DfE/ESFA Capital Grants consist of Devolved Formula Capital received during the period.

The pension reserve reflects the LGPS transactions. The costs and income associated with the defined benefit pension scheme have been recorded in the restricted fund. Staff costs are paid from this fund, including contributions to the LGPS, and the pension liability has therefore been aligned with these funds.

The Inherited Fixed Asset Fund reflects the fixed assets acquired on conversion. Depreciation on these assets is charged against this fund.

The academy has general restricted and unrestricted funds of £793,318 at 31 August 2019.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2019

20 Pension and similar obligations

The academy trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by South Tyneside Council and Middlesbrough Borough Council. Both are multi-employer defined benefit schemes.

The pension costs are assessed in accordance with the advice of independent qualified actuaries. The latest actuarial valuation of the TPS related to the period ended 31 March 2012, and that of the LGPS related to the period ended 31 March 2013.

Contributions amounting to £nil (2018: £202,195) were payable to the schemes at 31 August 2019 and are included within creditors.

Teachers' Pension Scheme

Introduction

The Teachers' Pension Scheme (TPS or scheme) is a statutory, unfunded, defined benefit occupational scheme, governed by the Teachers' Pensions Regulations 2010 (as amended), and the Teachers' Pension Scheme Regulations 2014 (as amended). These regulations apply to teachers in schools and other educational establishments, including academies, in England and Wales that are maintained by local authorities. In addition, teachers in many independent and voluntary-aided schools and teachers and lecturers in some establishments of further and higher education may be eligible for membership. Membership is automatic for full-time teachers and lecturers and, from 1 January 2007, automatic too for teachers and lecturers in part-time employment following appointment or a change of contract. Teachers and lecturers are able to opt out of the TPS.

The Teachers' Pension Budgeting and Valuation Account

Although members may be employed by various bodies, their retirement and other pension benefits are set out in regulations made under the Superannuation Act (1972) and Public Service Pensions Act (2013) and are paid by public funds provided by Parliament. The TPS is an unfunded scheme and members contribute on a 'pay as you go' basis – contributions from members, along with those made by employers, are credited to the Exchequer under arrangements governed by the above Acts.

The Teachers' Pensions Regulations 2010 require an annual account, the Teachers' Pension Budgeting and Valuation Account, to be kept of receipts and expenditure (including the cost of pension increases). From 1 April 2001, the Account has been credited with a real rate of return, which is equivalent to assuming that the balance in the Account is invested in notional investments that produce that real rate of return.

Valuation of the Teachers' Pension Scheme

The latest valuation of the Teachers' Pension Scheme has now taken place, in line with directions issued by HM Treasury and using membership data as at 31 March 2016. As a result of this valuation TPS employers will pay an increased contribution rate of 23.68% from September 2019 (this includes the administration levy of 0.8%). The timing of the implementation is to align its introduction with employers' budget planning cycles. Until then, employers will pay the current rate of 16.48%.

A copy of the latest valuation report can be found by following this link to the Teachers' Pension Scheme website.

Scheme Changes

The arrangements for a reformed Teachers' Pension Scheme, in line with the recommendations made by Lord Hutton, in particular the introduction of a Career Average Revalued Earnings (CARE) scheme, were implemented from 1 April 2015.

In December 2018, the Court of Appeal held that transitional protection provisions contained in the reformed judicial and firefighter pension schemes, introduced as part of public service pension reforms in 2015, gave rise to direct age discrimination and were therefore unlawful. The Supreme Court, in a decision made in June 2019, have rejected the Government's application for permission to appeal the Court of Appeal's ruling. The case will now be referred to an Employment Tribunal for a decision regarding the remedy which will need to be offered to those members of the two schemes who were subject of the age discrimination.

HM Treasury are clear that the ruling has implications for the other public service schemes, including the Teachers' Pension Scheme. Those implications are currently being considered and any impact on scheme costs is expected to be looked at within the next scheme valuation, which is currently scheduled to be based on April 2020 data and implemented in April 2023.

The employer's pension costs paid to the TPS in the period amounted to £795,642 (2018: £749,992).

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The academy trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The academy trust has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds. The total contributions are as noted below. The agreed contribution rates for future years are 16.6 - 20.7% for employers and 5.5 - 12.5% for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

Owing to the nature of the academy trust's operations and the composition of the board of trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which the academy trust has an interest. All transactions involving such organisations are conducted at arm's length and in accordance with the academy trust's financial regulations and normal procurement procedures.

No related party transactions took place in the period of account.

The academy trust company occupies land (including buildings) which are owned by its Trustees who are the Diocese of Durham. The Trustees are the providers of the academies on the same basis as when the academies were maintained schools. The academy trust company occupies the land (and buildings) under a mere licence. This continuing permission of their Trustees is pursuant to, and subject to, the Trustees' charitable objects, and is part of the Church of England's contribution to provide State funded education in partnership with the State. The licence delegates aspects of the management of the land (and buildings) to the academy trust company for the time being, but does not vest any rights over the land in the academy trust company. The Trustees have given an undertaking to the Secretary of State that they will not give the academy trust company less than two years notice to terminate the occupation of the land (including buildings). Having considered the factual matrix under which the academy trust company is occupying the land (and buildings) the directors have concluded that the value of the land and buildings occupied by the academy trust company will not be recognised on the balance sheet of the company.
