

**Please order school uniform online this year.**

Please note all of our stores are currently closed and school uniform evenings are suspended in line with government guidance. You can still order online via our website [www.theschooloutfit.co.uk](http://www.theschooloutfit.co.uk). We are still dispatching orders safely.

**Order as soon as possible, especially New Starters!**

We predict a surge in demand for uniform online so we strongly recommend that you order your uniform as soon as possible, especially if your child is a New Starter. Any uniform that is purchased early for September can be exchanged or returned at any time until then if your child grows and needs a bigger size.

**Stock Availability**

As a result of pre ordering our uniform stock, uniform will be available in time for back to school in September. However if we do run out of any sizes, they are likely to take longer to replenish as a result of ongoing supply chain disruption, so our advice is to order early to avoid shortages.

**Customer Support**
