Newcastle College	<p>Newcastle College Virtual Open Event</p> <p>Wednesday 3 June, 12 - 5pm</p> <p>Hello from Newcastle College's Education Partnerships team. We wanted to let you know that registration for our first ever Virtual Open Event is now open and we'd love you to invite your students along.</p> <p>Since we're not able to invite anyone onto campus at the moment to meet our tutors and look around, this event will allow you or your students to virtually visit us.</p> <p>Students will be able to find out more about the courses they're interested in, talk to tutors and ask questions at our subject booths. Once they've logged in, they can wander around the exhibition hall to browse through the subjects, then talk to experts and advisers in real time, choosing to talk through their microphone or by typing.</p> <p>It looks and feels like one of our regular Open Events, the only difference is they'll be sat at their computer instead. We can't wait to see everybody there!</p>
-------------------	--

	<p>Applications for September 2020</p> <p>A reminder that we're still accepting applications for all of our courses and degrees starting in September 2020, so it's not too late for students to apply.</p> <p>Students can find out more at our Virtual Open Event, or they can explore courses and make an application on our website.</p> <p>We've also got an <a href="#">Application Hub</a> on our website, where we've tried to answer some Frequently Asked Questions (FAQs).</p> <p>Our Student Services team is still working from home and can be contacted by Live Chat via the Newcastle College homepage at <a href="http://www.newcastlecollege.co.uk">www.newcastlecollege.co.uk</a>. Students can also email them on <a href="mailto:enquiries@ncl-coll.ac.uk">enquiries@ncl-coll.ac.uk</a></p>
