<u>Year 11 - Careers/Post 16 Update - 03.06.20</u>

I have been receiving a range of updates and advice from post 16 providers and career provisions. Please have a look below and feel free to access any activities from any of the providers (it does not matter if you don't plan on going to their provision in the future).

I have also included a list of websites at the bottom of this document, which you may find helpful.

If you have any questions or need any careers/post 16 related help please feel free to email me – <u>holly.pestell@venerablebede.co.uk</u> and I will respond to you as soon as possible.

UniTaster	UniTaster Tuesdays – weekly university guidance webinars
	UniTasterDays (in collaboration with HELOA) are delivering free university guidance webinars every Tuesday for the rest of the academic year, to support post- 16 students considering university.
	Different guest universities will attend each week, delivering sessions on important aspects of university guidance, with a moderated Q&A.
	The live events are for post 16-students, although recordings will be available after the event for pre-16 students as well.
	This is a great opportunity to find out information about university early.
	Please visit <u>https://www.unitasterdays.com/online</u> for more information.

S	Jurnam	We are happy to confirm that the Prospective Student Parents evenings that are scheduled to take place on Monday 22 nd , Tuesday 23 rd and Wednesday 24 th June will go ahead in a Virtual Capacity.

Prospective Students are being asked to register for the event and book their places. They only need to book one place per family. They will be sent a confirmation email when they have booked and then a following email with details of how to view the Principals speech then the relevant presentation for their subject area.

We are sending emails, posting on Social media and sending printed letters regarding the evenings, but your help in publicising will be appreciated. I also know that some of you have been receiving enquiries, so hopefully this will enable you to reassure parents and students and point them in the direction of the virtual events.
