Year 11 Schedule of Assessments (week beginning 19th April)

The following table is a summary of the Year 11 assessments scheduled to take place **week beginning 19th April 2021**. For the majority of pupils, assessments will take place in regular timetabled classrooms - pupils should cross reference the following table with their usual timetable should they need to double check whether an assessment applies to them. **We will continue to send updates to you each week with details of assessments due to take place the following week.** Pupils can also find assessment schedules on each of the three 'exam boards' that are situated around school. If pupils have any questions about a listed assessment, they should speak to their class teacher, who will be able to provide subject specific clarification.
