HPE

Dear Year 11,

BT have sent out some information regarding their apprenticeships, all the information is below. Please read all of the details carefully as some of their apprenticeships are for students finishing Year 11 and some are for students finishing Year 13, they are also in different locations.

If you have any questions, please send me an email.

Yours faithfully

Miss Pestell

BT offer apprenticeships in a wide range of career paths - apply today!

Here at BT, we're really excited to let you know our apprenticeships are now open for applications to join us in 2021. We've recently been voted the [UK's best private sector apprentice employer](#), so when it comes to apprenticeships and being a great place to start your career, we know what we're talking about. Our apprenticeships aren't all about selling broadband and phone lines though, we do a lot more than that.

Our Apprenticeships

We offer apprenticeships from Level 2 through to Level 6, meaning we really have something for everything. Perhaps you want to get into Customer Service – great, we have an apprenticeship for that. IT & Technical Support? Yes, that too. Software Development, Sales, Electronics, Data Analysis, Network Design.....we could go on. All we ask is that students meet our entry requirements for a role; we can teach the rest.

Now, we can tell you how amazing it is to be an apprentice at BT all we like, but it might be best if you hear it from our apprentices themselves. Why not [check out what Hannah has to say](#) about being an apprentice? [Or Muhammad](#)? And there is always our social channels on [Facebook](#), [Twitter](#) and [Instagram](#). You could also listen to what more of our Early Careers employees have to say on the [BT Early Careers Podcast on Spotify](#). Go to [our website](#) and you can find a whole host of information about the roles we offer, as well as some hints and

tips to get through our application process.

Apprenticeships at BT. The path you never considered.
