Year 11 Schedule of Assessments

(weeks beginning 24th May and 7th June)

The following tables show a summary of Year 11 assessments scheduled to take place **week beginning 24th May 2021** and advanced notice of those scheduled for **week beginning 7th June 2021**. For the majority of pupils, assessments will take place in regular timetabled classrooms - pupils should cross reference the following table with their usual timetable should they need to double check whether an assessment applies to them. Pupils can also find assessment schedules on each of the three 'exam boards' that are situated around school. If pupils have any questions about a listed assessment, they should speak to their class teacher, who will be able to provide subject specific clarification.

Week beginning 24th May 2021			
Day / Date	Period	Subject	Classes taking assessment
Tues 25 th May	2	English	All Year 11
Thurs 27 th May	3	Business Studies	Mrs Goodrick's class (11C/Bs1)

For assessment scheduled to take place after the half term break, pupils will not be required to be in school the entire day, (as outlined in Mr Airey's update letter on 14th May). Pupils will need to come to school 15 minutes prior to their assessment session, register at the front office, and then make their way to an assigned room to wait before moving to the assessment room – **further details, around the logistics of this, will follow shortly.**
