If you chose the automatic booking mode, you'll see provisional appointments which are held for 2 minutes. To keep them, choose Accept at the bottom left.

You can optionally leave a message for the teacher to say what you'd like to discuss or to raise anything beforehand.

Once you're finished booking all appointments, at the top of the page in the alert box, press 'click here' to finish the booking process.

## Protocol and guidance for Virtual Parents Evenings

As virtual events are new to us at Venerable Bede, we thought it important to establish some ground rules so that all participants are following the same protocol which should ensure everyone's wellbeing.

- Conversations should take place in appropriate locations.
- All participants should be appropriately attired as they would be for a real-life face to face meeting.
- Conversations must not be recorded.
- If you are using a device to enable both parents from different households to attend simultaneously e.g. FaceTime or WhatsApp please flag this up to the teacher as a matter of courtesy at the start of the conversation.
- As in real life, your child is welcome to attend.
- Appointment times are not flexible and will start and finish exactly on time. Appointments will be automatically stopped once the allotted time has ended.

## Advice

- School Cloud has been trialled extensively within school and therefore we anticipate things to run smoothly from the school site – should there be any issues we will try our best to resolve as soon as possible but please be forgiving of any technical hitches.
- In order to have a video call appointment you need to have as a minimum:
  - A device with a microphone or speaker
  - A compatible web browser:
    - iPhone/iPad: Safari
    - Android: Chrome or Firefox
    - Windows: Chrome, Firefox or Microsoft Edge
    - Mac: Safari, Chrome or Firefox
    - Linux: Chrome or Firefox
- It is recommended that, where possible, you use a headset or earphones to reduce echo.
- Please note that, whilst 'video call' is the default setting for appointments, there is the option to join the meeting without your video enabled if you wish. If you would prefer the appointment to be an audio call only, please let the member of staff know at the very start of the call, so that they can also switch off their video.
- Try logging on up to an hour before - if you can't see "Join Video Appointments" check as below.
- The same parent/carer who made the appointments MUST be the one to log in as the appointments are linked to his/her details only and NOT to the other parent.
- Make sure your camera and microphone and volume are fully enabled in your settings and that you have allowed the system to access them.
- Better sound is achieved if only one person speaks to the microphone at a time.
- If one party loses connection please just wait whilst they log in again - you should be able to resume the conversation.
- If there is a sound /display issue try clicking the microphone/camera icon off and on again.
- **If there is still an issue try logging off and logging on again** or try another device.
- If possible have a backup device ready for you to log on and use.
