Dear Parent/Carer,

As you will be aware, we had an OFSTED inspection on Thursday and Friday of last week. Our last inspection was in 2016, so we had been expecting this. We had a Section 8 Inspection for "Good and Outstanding Schools". Please follow the link to understand more about the process of this inspection ([CLICK HERE](#)).

We would like to thank everyone who contributed to the inspection. The number of families who responded to the parent and pupil survey was very high. The inspectors commented that it was a good response. We thank you for your honest and candid views. Inspectors spent a lot of time talking to pupils – in both formal and informal settings. They spoke to pupils (whom they had chosen) as part of focus groups, in the lessons they visited, at break times and at lunchtimes. Inspectors shared that the pupils were a credit to themselves, their families and school.

Publication of the Report

The report will be published on the OFSTED website (we will send Parents an individual copy), 38 working days after the inspection. This is a standard timeline for all schools. Schools are not allowed to share any details about the inspection until after the report is published.

Once again, thank you for your continued support.

Yours faithfully

Mr. D. Airey
Headteacher
