18th October 2021

Dear Parent/Carer,

Virtual National Apprenticeship Show – North – 17th November 2021

Registration is now open for the virtual National Apprenticeship Show – North. This educational event highlights Apprenticeship opportunities and offers information from your region's top employers and training providers!

Your student can register for this event for FREE. **They will need to register individually to get the most out of the event**

Benefits of visiting:

- Apply for Apprenticeship vacancies
- Have LIVE 1-2-1 conversations with employers and training providers in your region
- Watch LIVE and pre-recorded interactive workshops alongside LIVE Q&A

Just a few of the employers taking part...

Allied Healthcare

Applications for NHS Virtual Work Experience programme are now open, and they will be open throughout this academic year, with the next session taking place on the 7th November!

Please remind your students to participate in the largest national virtual work experience programme for Nursing, Midwifery, Para-medicine, Physiotherapy, Occupational Therapy, Dietetics, Radiography, Prosthetics and Orthotics, Speech and language therapy and Pharmacy!

During the work experience day, students will follow two patients from their initial presentation to recovery. Students will observe the healthcare professionals as they interact with the patients and each other. Students will have an opportunity to ask questions and gain knowledge through teaching.

This will help students to make an informed career decision as well as learn about how healthcare professionals work together as part of a multidisciplinary team. Each work experience day is completely different. Students will be able to build on their knowledge of NHS careers as they see different patient cases and healthcare professionals work in a variety of settings, such as hospital and community.

Students will also receive certificates as evidence of having participated in the work experience programme. Those that complete the entire 6-month programme will be awarded with Highly Commended References too. Students can register individually through the website link below. Places are £10 a day to cover administrative costs and run the tech on the day. Schools can also register groups online.

If your child would like to be involved in this opportunity and you would like support with the payment, please let Mrs Tracey know.

You can learn more and your students can register for the programme here: <https://alliedhealthmentor.org/nhs-healthcare-careers-virtual-work-experience/>

ASK Apprenticeships

October's edition of the Parents' & Carers' Pack is now available, including articles about T Levels, traineeships, apprenticeships and SEND. There are also new standards and news from the BAME awards.

Please follow this link to access the pack <https://amazingapprenticeships.com/resource/parents-and-carers-pack-october-21/>

If you or your pupil require any assistance or further information please feel free to contact me via email, (holly.tracey@venerablebede.co.uk) and I will get back to you as soon as possible.

Yours faithfully

Mrs. Tracey
Head of Careers
