Dear Parent/Carer,

In order to provide the opportunity for pupils to make as much progress as possible and achieve the highest grades they can, we are putting on a range of intervention sessions, starting 01.11.2021.

Priority 1

This timetable will run from 01.11.2021 until the Christmas break, this is to allow all pupils who study a course that involves Non-Examination Assessment to be a focus.

Priority 2

This timetable will run as a shadow to priority 1. If your child is not timetabled for priority 1 on a particular night, they can attend the session that is available to them on priority 2. After Christmas, priority 2 is the only timetable that will be running.

It is essential that your child attend all priority 1-intervention sessions. Subject teachers will identify and inform pupils that need to attend the priority 2 sessions; they are designed to give further support to each child. We believe that full participation and engagement in intervention will support pupils in making maximum progress and achieving their full potential. Sessions last for 1 hour from 3.00 p.m. until 4.00 p.m. Please do not hesitate to contact Mrs Tracey if you have any questions or would like further information.

Thank you for your continued support.

Mrs Tracey
