

Dayspring Trust

Spring Term 2022 Whole School COVID-19 Risk Assessment

Venerable Bede CE Academy Tunstall Bank Ryhope Sunderland SR2 0SX Tel 0191 5239745		
Venerable Bede CE Academy is part of the Dayspring Trust (DST)		
Head teacher: Mr David Airey	Name of Person Completing the Risk Assessment- Mrs Gill Booth (Executive Headteacher)	
Current Number of Staff Employed:104 Teaching: 51 Support Staff: 53	Date of assessment – January 2022	Date risk assessment reviewed – <u>11th January 2022</u>
Current Number of Pupils on Roll- 897		
<p>Consultation -The Covid-19 Risk Assessment and associated COVID Policy have been shared with the Directors, Academy Council and Staff members. The Academy Council of the school are to be informed of any staff members or Parent/Carers concerns.</p> <p>This Risk Assessment will be subject to regular review - every Executive Leadership Team meeting has a H&S item to ensure the dialogue and assessment of protective measures is constantly and regularly reviewed to keep staff and pupils safe. Staff attend briefings twice weekly for updates on any changes and to receive regular reminders of good practice.</p>		

H&S Manual	Form	Version	Issue Date	Next Review	Page
Infection Control	COVID-19 Risk Assessment-	02	January 2022	May 2022	1/27

Dayspring Trust

Communication -The Covid-19 Risk Assessment and associated COVID Policy has been shared with the whole staff team. The school have more than 50+ members and staff and to comply with the current [Schools Coronavirus \(COVID-19\) Operational Guidance](#) and to ensure compliance with the [Health and Safety Executive \(HSE\)](#) a copy of this risk assessment has been placed on the school website.

Persons covered by this assessment – **The School Community, visitors, professionals, and contractors working in/attending the school site to provide support etc. to the school on a day to day basis.**

Coronaviruses are a large family of viruses that cause respiratory infections. These can range from the common cold to more serious diseases. COVID-19 is caused by a new form of coronavirus known as SARS-CoV-2 (severe acute respiratory syndrome coronavirus 2). It was first reported in December 2019.

The virus is thought to spread mainly from person-to-person.

- Between people who are in close contact with one another (within about 6 feet).
- Through respiratory droplets produced when an infected person coughs, sneezes, or talks.
- These droplets can land in the mouths or noses of people who are nearby or possibly be inhaled into the lungs.
- COVID-19 may be spread by people who are not showing symptoms.

The COVID 19 Risk Assessment has been prepared and will be updated in response to the on-going COVID 19 pandemic, Government guidance and the guidance provided by the UK Health Security Agency.

RISK RATING		Likelihood		
		Probable Occurs repeatedly, to be expected or could affect large number of people	Possible Could occur sometime or effect a few people	Remote Unlikely to occur or not many people to be affected
Impact	Major Major injury, permanent disability, or ill-health	High	High	Medium
	Severe Injury requiring medical treatment	High	Medium	Low
	Minor First aid treatment	Medium	Low	Low

Infection Control	COVID-19 Risk Assessment-	02	January 2022	May 2022	2/27

Dayspring Trust

The school are following the guidance [Schools coronavirus \(COVID-19\) operational guidance](#). Public Health England advice systems of controls to minimize coronavirus (COVID-19) risks in school environments, the school are adhering to the four key current systems of control;

1. Ensure good hygiene for everyone.
2. Maintain appropriate cleaning regimes.
3. Keep occupied spaces well ventilated.
4. Follow public health advice on testing, self-isolation and managing confirmed cases of COVID-19.

COVID-19 will be a feature of our lives for the foreseeable future, so we need to learn to live with it and manage the risk to ourselves and others-[Coronavirus: how to stay safe and help prevent the spread](#).

Venerable Bede CE Academy is continuing to follow the additional measures advised by Amanda Healy-Director of Public Health in November 2021/December 2021, and the latest government guidance, in light of the increasing case numbers of COVID-19 and the Omicron variant:

1. The use of face coverings for secondary age pupils.
2. Staggering start and finish times (where appropriate).
3. Reducing mixing of pupils in school by grouping pupils by class or year group.
4. To cancel or postpone educational visits and residential trips unless deemed appropriate.
5. Open days or events to move to a virtual format where possible.
6. To cancel or postpone whole school events e.g. assemblies.

An appropriate level of communication is maintained to engage parents and carers. Parents/carers receive regular e-mails/letters whenever there is a change in level of protective measures and are kept well informed by the School/Academy
