### Southmoor Academy

Southmoor Academy would like to invite you and your students to their Open Evening on Wednesday 2nd November 2022 5 - 7.30pm.

The Sixth Form at Southmoor offers students something unique; our vision is to provide something different; they want to give young people the personal care, rigour, focus and aspiration, which many traditionally associate with a school. They also want to allow freedom to develop as responsible young adults, which many see as the advantage to the College experience.

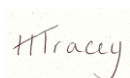

The Sixth Form at Southmoor is the only centre in the North East to have a dedicated Raising Aspirations coordinator funded through OxNet. They have been successful in gaining places at Oxford and Cambridge for their students, including some who are currently studying Medicine/PPE/Natural Sciences, as well as other taking up places at prestigious Russell Group universities.
