## Year 10 Curriculum Plans & Progress

Our website has lots of curriculum information, including copies of 'Long Term Plans' for all subjects [\[LINK\]](#) so that you and your child can see key aspects of each course. We will be sending home a summary of your child's progress and attitude to learning for each subject they study via a termly 'Progress Report'. We have a dedicated email address should you have any queries about the curriculum or your child's progress

[\[Y10Progress@venerablebede.co.uk\]](mailto:Y10Progress@venerablebede.co.uk). In your email, please clearly state the name of your child, give a brief outline of your query and the subject it relates to – this will help us to forward your email to the most appropriate member(s) of staff.

## Year 10 Recommended Websites: Core Subjects

To support learning and revision at home, we have collated some useful websites for the core subjects your child is studying this year:
