Year 11 Curriculum Plans & Progress

Our website has lots of curriculum information, including copies of 'Long Term Plans' for all subjects [LINK] so that you and your child can see key aspects of each course.

We will be sending home a summary of your child's progress and attitude to learning for each subject they study via a termly 'Progress Report'. We have a dedicated email address should you have any queries about the curriculum or your child's progress [Y11Progress@venerablebede.co.uk]. In your email, please clearly state the name of your child, give a brief outline of your query and the subject it relates to – this will help us to forward your email to the most appropriate member(s) of staff.

Year 11 Parents Evening & Subject Reports

Subject Reports will be issued on Friday 27th January, ahead of the Year 11 Parents' Evening which will take place on Thursday 2nd February, from 3.30pm to 6.30pm. The evening will be held in 'virtual' format through 'SchoolCloud' – this enables the opportunity for 5-minute consultation meetings, either by video or telephone, with subject staff to discuss your child's progress. The 'SchoolCloud' software is open for appointment bookings from 4pm on Tuesday 24th January and will remain open until 4pm on Tuesday 31st January. Please visit https://VBede.schoolcloud.co.uk/ to book your appointments. 'SchoolCloud' have produced a very helpful step by step guide about 'how to attend appointments over video call' which can be found by clicking this LINK. Full details can be found in the letter sent via ParentMail.

Year 11 Sources of Revision

Our <u>2022/23 Examination Preparation & Revision Guide</u> is an ideal place to find key information to help support your child in preparing & revising for exams. It is also a great place to find ideas for how to revise. Exams can be a challenging time for us all but hopefully, by working in partnership, we can ensure that pupils are as supported and prepared as they can be for any exams they need to take, knowing that we all 'did our best' along the way. The following table shows some recommended revision websites for each subject:
