

Year 11

“It’s time!”

# Courage *noun*

The quality of mind or spirit that enables a person **to face difficulty, without fear...**  
...including exams!

# Before each exam

- There will be a revision session, after school, the **night before**, for any exams due to take place the next day.
- Therefore, the current intervention timetable will stop on Thursday 11<sup>th</sup> May to enable these sessions to take place.

Half Term				

# Before each exam

- As in previous exams, you should check the exam boards each day to see where you are sitting. Please DO NOT write this on your hand – you are **NOT** allowed to take **ANYTHING** written into the exam hall with you. I will also call out lists as a reminder!

# Before each exam

- You can take water bottles into the exam hall if you feel you are likely to need a drink. However, these must be clear bottles, with the **labels removed**.
- NO CANS
- NO Venerable Bede WATER BOTTLES
- ONLY Water

# Just before each exam

- Coats, bags, mobile phones and **ALL** watches should be placed in lockers **BEFORE** you come to the stage end of the hall.
- You are **NOT** allowed **ANY** kind of watch in the exam room (this includes regular wristwatches)

# Just before each exam

- You can NOT have ANYTHING in your pockets – including hoodie pouches. You MUST leave all unauthorised materials in your locker.
- **You can NOT take ANYTHING with writing on it, into the exam hall!!!!**

# Just before each exam

- Punctuality is **EXTREMELY** important.
- For **MORNING** exams, you will need to go to your tutor room to be registered and then be at the stage end of the hall by **8.50am**.
- For **AFTERNOON** exams, you will need to be at the stage end of the hall by **12.55pm**.

# Stage end of the hall

- Subject staff will offer final advice
- A member of the Senior Leadership Team (likely to be me!) will then call out names to go to the exam rooms.
- If you miss your name, wait until the end, and then speak to the Senior Leader for next steps.

# Walking to the exam room

- You must walk **silently** to your exam room.
- The very second that your toes cross over into the exam room, **you are subject to JCQ regulations**. You have a copy of these.... Make sure you stick to them.

# In the Exam Room

- You must follow the JCQ regulations of examinations **throughout**.
- Only materials listed on the question paper are allowed in the exam room. You must not have **on or near you** any other material.

# In the Exam Room

- You will be asked to check that you have been given the correct paper for the day, date, time, subject, unit/component and tier.
- You will then be asked to fill in all the details needed on the front of your question paper in **black ink**.
- **DO NOT write anything until instructed to do so.**

# In the Exam Room

- **You must not communicate in any way with another candidate while you are in the exam room.** If you need any help, you should put up your hand to attract the invigilator's attention and wait for them to come to you.
- If the fire alarm sounds, you must stay seated and wait for instructions from the invigilator.

# In the Exam Room

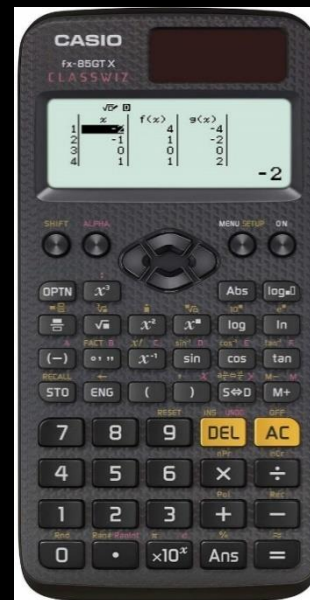

- Failure to follow JCQ regulations in full, **may lead to DISQUALIFICATION** from one exam, from one exam board or from all exams.

# In the Exam Room

- Any equipment you will need for an exam will be provided for you.
- This includes calculators and highlighter pens

# After the Exam

- You will be asked to put your pens down and close your exam paper. Invigilators will then collect papers.
- Whilst you are in the exam room, you **MUST** continue to follow examination regulations throughout.
- You will then be dismissed by invigilators, in an orderly manner.

# After the Exam

- You must leave the exam hall in **ABSOLUTE** silence.
- Not all exams in the same room will finish at the same time e.g. separate and combined sciences. Please be mindful of others who may still be working when you leave the exam room e.g. lift chairs rather than scrape them!

# After the Exam

- If the exam finishes part way through a lesson, you should go straight to the lesson i.e. do NOT visit lockers, do NOT hang around chatting
- If the exam finishes at a break time, you will be dismissed to go straight to break.
- If you miss morning break, you will be given some time in your lesson to 'chill out' and have a break!

# Results Day

# Results Day:

Thursday 24<sup>th</sup> August 2023

- Information about timings of results day etc, **will be sent home once the exams have finished** - this will include details about what to do if you're going to be on holiday or if you can't collect them..

- Avoid bad habits
- Use all the support that is available to you... family, friends, teachers, other school staff, resources....

# Prayer for Courage in Exams

Lord Jesus,

You know that I may be anxious about the exams that I will soon face, and I ask that You would calm my anxious thoughts.

I pray that as I enter the exam, that You will fill my heart with perfect peace that comes from You.

# Prayer for Courage in Exams

Please give me the courage to face these exams with determination and prompt my mind to remember all the things that I have studied.

Give me the wisdom and the ability to transfer my thoughts to paper.

**In the name of the Father, the Son and the Holy Spirit, Amen**

Year 11
