For **classroom exams**, Year 10 pupils should report to their usual lesson and their usual classroom. It is really important that they arrive promptly to lesson so that they don't miss out on any examination time. Class teachers will inform pupils of the day/period the assessment will take place.

For **AM MAIN HALL exams**, Year 10 pupils should report to the stage end of the main hall at **8.50am** (so that they can be registered in their tutor rooms first) - for full cohort exams, tutors will bring them to the hall, for option subject exams, tutors will send them to the hall at the appropriate time.

For **PM MAIN HALL** exams, Year 10 pupils should report to the stage end of the main hall at **1.00pm**, i.e. immediately after the end of their Period 3 lesson.
